

Retractable Wall Mounts

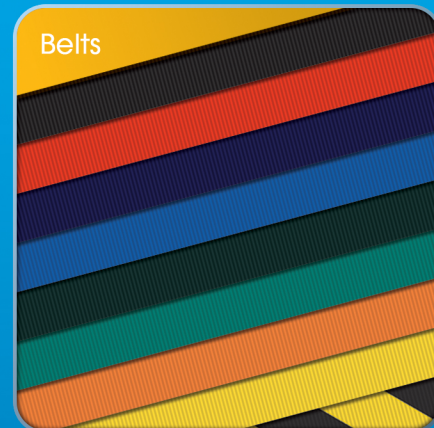

A proven high quality retractable belt that is versatile and mountable virtually to any surface to provide a safety barrier. Use to provide guided barriers for entry and/or exits, stairs, halls, and warehouses. The safety barrier of choice when floor space is limited or an area is too narrow to place normal barriers.

Aisleway 156" belt length

Guardian 96" belt length

Belts

Black / Red / Blue / Green / Orange / Yellow / Stripe

Built-in

Re-designed lockable belt end (compatible to fit most major brands)
