VIP Standard Products

All standard offered vip products are subject to a one year limited warranty from date of Purchase.

VIP Custom Products

All custom products are subject to limited 90 day warranty from date of purchase.

VIP Crowd Control will replace or repair, at its option, all or part of what is determined to be a product defect, either in workmanship or components, providing that the product was installed, used and maintained as per instructions. All VIP Crowd Control warranties either express or implied will be deemed void if subject damages were caused due to improper installation, use and / or maintenance. VIP Crowd Control's limited warranty applies to parts only and does not cover labor that may be required or replacement of the warranted parts and/or products. All shipping and handling costs are not included.

These warranties are expressly made in lieu of any and all other warranties expressed or implied, VIP Crowd Control shall not be liable for any damages or loss that may result directly or indirectly from use of these products. VIP Crowd Control will not be held responsible nor liable to the buyer or user of these purchased products for any and all consequential damages (direct, special, incidental), loss of use, performance failure, interruption of business, implied loss of profits due to failure or inability to use these products. Under no circumstances will the buyer or user be entitled to damages or losses which exceed the purchase price of the
